**RELEARNING THE PAST,
OWNING THE PRESENT,
AND BUILDING AN
EQUITABLE FUTURE**

The teaching of history is selective – whose story has been told? What has to be unlearned and learned to become effective advocates for equity? What is Carroll County doing to celebrate and honor the history and current realities of all Carroll Countians? What can be done to ensure mistakes are not repeated? Join us for education, discussion, and opportunities to engage in creating an equitable future for Carroll County.
